**CCA Experience (10 – 28 Jan)**

The intent of the CCA Experience is to help students make an informed decision when selecting a CCA. The CCAs will invite Secondary One students to participate in their training sessions if they have registered their interest in them.

It is important to participate because Secondary One students will get to experience the training, to find out more about the CCA, and finally to make a decision on whether the CCA suits them. CCAs are also given the opportunity to identify suitable Secondary One students; and recommend them to join the CCAs (especially when there is overwhelming demand)
