

Welcome Back!

Class of 2022

Celebrate Efforts

The O-Level is a culmination of years of hard work and perseverance.

Let's celebrate our efforts regardless of the results.

Let's mark the end of the academic year by reflecting together on all our previous successes in school and the challenges we have overcome!

Think Opportunities

As you await your GCE O-Level results, there are some possibilities:

- ☐ You are happy that your results meet your expectations,
- ☐ You are overjoyed that your results exceed your expectations, or
- ☐ You are worried/upset because your results fall short of your expectations.

Many pathways and opportunities!

Remember that **everyone's learning journey is different** but **we can each have a fulfilling outcome!**

Reaching out for help is a sign of strength, not weakness.

If you have any concerns or are not coping, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, School Counsellor or a friend that you can talk to.
