# GCE O-Level Examination 2024 Result Release
10 January 2025 (Fri) − 2.30 pm

Celebrate Efforts

- **The O-Level is a culmination of years of hard work and perseverance.**

- **Let's celebrate our efforts regardless of the results.**

- **Let's mark the end of the academic year by reflecting together on all our previous successes in school and the challenges we have overcome!**
Think Opportunities

As you await your GCE O-Level results, there are some possibilities:

❑ You are happy that your results meet your expectations,

❑ You are overjoyed that your results exceed your expectations, or

❑ You are worried/upset because your results fall short of your expectations.

Many pathways and opportunities!

Remember that **everyone's learning journey is different** but **we can each have a fulfilling outcome**!

Reaching out for help is a sign of strength (not weakness)

If you have any concerns or are not coping, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, School Counsellor or a friend that you can talk to.
